

Historic Vote

On Sunday, May 17 the congregation of St. John's voted to proceed with a plan for the future. That future was outlined in Option Three – "Construct a New Worship Building." This new facility will be constructed on our property on what is known as the courtyard in the front of the parish hall towards Clinton Street.

The meeting was well attended and the vote total was divided among all four options. On the first ballot, a two-thirds majority (143 votes) was given in support of the plan to build a new worship space on our property.

I am thankful to God for at least three reasons.

First, that the meeting enjoyed such wide support from our membership. Thank you for your interest in the future ministry of St. John's.

Secondly, I am thankful for the opportunity we now share to move ahead into the future with a plan to accomplish a new beginning to the glory of God.

Finally, the good will I felt at the meeting makes me proud to be your pastor. I am hopeful and look forward for what God will accomplish among us.

Peace, Love and Joy –
Pastor John Klatt
