BEGINNING THIS MONDAY Healing Together

MONDAYS IN LENT

The psalmist describes grief with the familiar words "I walk through the valley of the shadow of death." Grief is the deep sorrow we feel after the death of a loved one or a major loss or change in our lives.

If you are feeling like you are stuck in that darkest valley we would like to help.

The grieving process is unique for everyone. It is long, winding, and filled with unexpected turns. We know that we all heal more quickly and more wholly when we are waking alongside others sharing our experiences and offering hope.

Please join us for these evenings of conversation and hope.

DISCIPLESHIP CHALLENGE

DAILY

PRAYER

Daily practices of prayer, meditation, or contemplation are necessary for those of us who are seeking to align our lives along the Way of Jesus Christ.

Prayer is when open ourselves up to the guidance of the Holy Spirit. Quietening our mind and our heart is the gateway to a life of peace and compassion. We know that meditation is beneficial for all our relationships and for our own physical health... and yet...

How is your prayer life these days?

Too many of us skip or have never begun this fundamental spiritual practice. And yes I say fundamental because all the other discipleship practices are built upon our relationship with God which we come to know and strengthen through daily prayer and meditation.

The challenge: Using a timer...Add three minutes to your current practice of daily prayer. For example, if you're praying for zero minutes a day... set a timer for 0:03 and PRAY. IF this is new for you... Try Repeating the "Lord's Prayer" in a whisper or try focusing on slowing breathing in and out or ask a Pastor how to get started!

**PLEASE CONSIDER
PROVIDING FLOWERS FOR
WORSHIP IN HONOR OF A
LOVED ONE.**

Copies of today's Scripture readings are available upon request. Ask an Usher!
