

## St. John's Book Club

St. John's book club is off and running!

- DATE: Generally the fourth Tuesday of the month with variation for the summer and holiday time
- TIME: 7:00 p.m.
- PLACE: St. John's Fellowship Room
- PLAN: A book will be selected to be read by members.  
The monthly discussions will be led by a volunteer.

The club will be discussing books that are currently popular, non-fiction and fiction. This is designed as an opportunity to read literature that will be meaningful and educational for all involved. For more details, contact Bonnie Klatt or Nancy Kessler. A list of the selected books for each month will be available in the Crossbeam or on the St. John's web site.
