Needs Your Help

The congregation of St. John's was started in 1864 and has been an important part of the Gardenville community of West Seneca ever since. Early 2009 it was discovered that the current church building that was built in 1913 was not structurally sound and should no longer be used for worship. The Parish (Fellowship) Hall is currently being used for services. A decision was made in May 2009 by the congregation to build a new church. This project is expected to exceed \$1,000,000.
